

ACCREDITED UNITS

By the year 2019, the ratio of accredited undergraduate programs to all undergraduate programs has been recognised as 10.53% throughout Turkey.

Istanbul Medipol University aims to accredit all of its programs. In the direction of this aim, the University has completed the accreditation of 22 out of 74 of its undergraduate programs. The ratio of accredited undergraduate programs is 29.7% as of June 2020.
